

Malaria Resources

Resources on prevention and management of malaria

Malaria Prevention

Guidelines for healthcare workers who advise travellers, but may also be of use to prospective travellers who wish to read about the options themselves:

- [Public Health England Guidelines for Malaria Prevention in Travellers from the UK](#)

Doctors, practice nurses, and other healthcare professionals may send malaria prophylaxis queries to MRL using their [Malaria risk assessment form](#).

- [Public Health England Malaria Reference Laboratory](#)

Information on the dosage of antimalarial tablets for children based on their weight:

- [Children's antimalarial dosage tables](#)

Advice against the use of homeopathic remedies for the prevention or treatment of malaria:

- [Malaria and Homeopathy](#)

Malaria Treatment

- [UK malaria treatment guidelines](#)

Other Useful Resources

- [Worldwide Antimalarial Resistance Network](#)
- [World Health Organization: World Malaria Report 2016](#)
