

Yellow Fever Vaccine: Traveller Checklist

A checklist for travellers to be used during the travel health consultation to assist yellow fever vaccine risk assessment

Yellow Fever Vaccine: Traveller Checklist

(PDF - 475KB)

The image shows a PDF document titled 'CHECKLIST YELLOW FEVER VACCINE'. It contains a series of questions for a healthcare professional to ask a traveler, with a table for recording 'Yes', 'No', or 'N/A' answers. The questions cover topics such as: 1. Whether the traveler is going to a country with a yellow fever risk. 2. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 3. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 4. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 5. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 6. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 7. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 8. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 9. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 10. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 11. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 12. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 13. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 14. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 15. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 16. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 17. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 18. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 19. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. 20. Whether the traveler is going to a country with a yellow fever risk within the next 12 months. At the bottom, there is a section for 'PLEASE PROVIDE' with fields for Name, Address, Telephone, and Date.

Travel Risk Assessment Form

We also have an example risk assessment / risk management form for travel health consultations. This form is used separately to the yellow fever check list and can be downloaded and printed. Clinics may wish to use this as an example to create their own form which is adapted to their own practice.
