Reminder: Travel Health 2020 - Joint NaTHNaC and RCN Travel Health Conference

Saturday 8 February 2020 - registration open

A reminder that registration for the third joint multidisciplinary [NaTHNaC and RCN Public Health Forum Travel Conference](#) in London is open.

The theme for Travel Health 2020 is, “What challenges do you encounter when advising travellers?”

Travel Health 2020 will provide a unique opportunity to learn how to address these challenges more effectively. The programme includes travel vaccines, rheumatological conditions, mental health and travel with cancer. There is an opportunity to bring your own cases to ask our panel of experts in a wide range of fields. You’ll leave feeling confident and ready for the challenge.

This event is aimed at nurses, pharmacists and other healthcare professionals delivering travel health services.
