Aspects of Travel Health Online Workshops 2022

A series of two hour workshops for health professionals

We are pleased to announce the next Current Aspects of Travel Health online workshops.

These sessions are designed around the frequently asked questions to our advice line and will provide a refresher for those with some travel health experience. For those who are new to providing travel health services, the workshops can be used as an introduction to the current guidance and advice.

Each workshop will be based on a single scenario covering travel health related topics. Initially the focus will be on travellers with special health needs. The following dates are now available for booking:

- Thursday **10 March 2022 10:00 to 12:00** (log in at 09:50) Scenario: **Young adults / backpacking** [Update 12 Jan 22 - this workshop is now fully booked]
- Thursday **16 June 2022 10:00 to 12:00** (log in at 09:50) Scenario: **Older travellers**

Further dates and sessions will be announced for 2022 based on demand.

The fee per workshop is £25 per person and places will be capped at 20 delegates to allow a small group learning experience. Please note, spaces are limited on a first come basis. Workshops will be interactive and held via Zoom. Delegates will need a computer with a camera and microphone.

To check availability, please contact uclh.nathnac@nhs.net and indicate which workshop you would like to attend. You will then be provided with a login account to the online NaTHNaC Training Portal to book and pay for your place(s) using card payment only. Once places are booked, you will receive email confirmation and a receipt from Sagepay. Course fees are non-refundable and non-transferable.

We hope you will join us for what looks set to be an interesting and lively discussion.
