TravelHealthPro website video guide

A short guide to using TravelHealthPro

Health professionals and travellers new to our website may find this [short video](#) about navigating TravelHealthPro useful.

TravelHealthPro provides lots of helpful information and this three minute video guide shows how to find key resources and features. In addition to specific advice for each country, you can find [outbreak information](#), [news items](#) and a range of articles on staying healthy abroad.

We hope this video helps both travellers and health professionals who are new to TravelHealthPro, and also anyone who has not explored the website beyond our [Country Information pages](#).
